		SECRET/	25X1
		SECURITY INFORMATION	
•			25X1
•			
	(c)	Trnava /4822N-1736E7-	
25X1		I noticed soldiers, wearing black epaulettes and armed with Tokarev M1933 pistols, in the	ig
•		vicinity of the military hospital.	25X1
25X1		that the military hospital had a bed	120/(1
		capacity of one thousand. I have no further information on the military hospital. Trnava was the headquarters of an	
		unidentified division of which Major General (fnu) Pivovarcik	ξ .
		was commander. This is all the information I have on this	
		division.	
	(d)	Senica /4841N-1722E7- Senica	25X1
•		was the headquarters of an unidentified artillery regiment.	
25X1		about five km southwest of Senica. Dr Kelesy was a district	
		doctor assigned to Trnava and was required to be present at	
		the firing range during practice firing in order to provide	
	•	medical care in case of accidents. I have no further informa	tion.
	(e)	Sastin /4838N-1709E7-While travelling from Trnava to Sastin i	.n
		June 1951, I saw two trucks (identical to the WW II model	
		US Army, 6x6, 22-ton, cargo truck) loaded with soldiers. The were between 20 and 25 soldiers in each truck. The soldiers	
05)/4		wore green epaulettes which, I heard, identified Border Guard	25X1
25X1		troops. These soldiers were armed with the Czech Model 23 sumachine gun.	<u>ıb</u> -
25X1		/ I have no knowledge of wh	 mere
		these troops were stationed or of their destination.	
	(f)	Topolcany /4834N-1811E7	
25X1	<b>\-</b> /	there were two artillery regiments and an	25X1
	1	officers' school located in Topolcany. I do not know the numerical designations of the artillery regiments or the subj	
		taught at the Officers' School.	ecus
25X1		two buildings which housed the artillery regiments;	
-5X1°		each was a four-story brick building, approximately 50 x 20 m painted a light brown. A wire fence, approximately three m h	ly Morto
		and supported by concrete posts about six m apart. surrounded	ir Ru
		and supported by concrete posts about six m apart, surrounded the two buildings. A rubber factory was located about 600 m	
		east of the two buildings the factory produced insulation for wire and various other communications material	i.
25X1		I have no other information.
